Subject: **CLEARANCE FOR THE EXPORT OF "OUT OF SPECIFICATION INKS" BACK TO THE SUPPLIER IN JAPAN IS NOT REQUIRED**

Dear **Mr. Pedrajas**:

This has reference to your e-mail dated 16 July 2020 inquiring the requirements needed from this Office for the return of "out of specification inks" back to your supplier in Japan. Please be informed that the export of the said material is not regulated by Republic Act 6969 (Toxic Substances and Hazardous and Nuclear Wastes Control Act of 1990) and its Implementing Rules and Regulations.

In this regard, an Export Clearance is not required from this Bureau. However, this does not preclude you from complying with the requirements of other government agencies that have mandate or jurisdiction regulating the above-mentioned material.

Very truly yours,
