Subject: **INTERPOSING NO OBJECTION TO THE PROPOSED EXPORT OF 120 KILOGRAMS OF MOLTEN CLAY SAMPLES AND 400 KILOGRAMS OF RIVER SEDIMENT SAMPLES TO SINGAPORE FOR THE SOLE PURPOSE OF LABORATORY ANALYSIS**

Dear Mr. De Lange:

This has reference to your letter dated 08 July 2021 with IIS Transaction No. CO-2021-030699 requesting clearance from this Office for the export of one hundred twenty (120) kilograms of molten clay samples and four hundred (400) kilograms of river sediment samples to Singapore for the sole purpose of laboratory analysis. Please be informed that we interpose no objection to the proposed export provided that it shall be limited to the declared type and quantity of material.

In this regard, Export Clearance is not required from this Bureau. However, this does not preclude you from complying with the requirements of other government agencies that have a mandate or jurisdiction regulating the same as well as with the domestic regulation of Singapore as the State of import.

We hope we have addressed your concern.

Very truly yours,
