MEMORANDUM

TO: ALL DISTRICT COLLECTORS

FROM: REY LEONARDO B. GUERRERO
Commissioner, BOC

FEB 20 2019

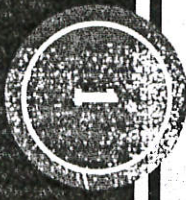

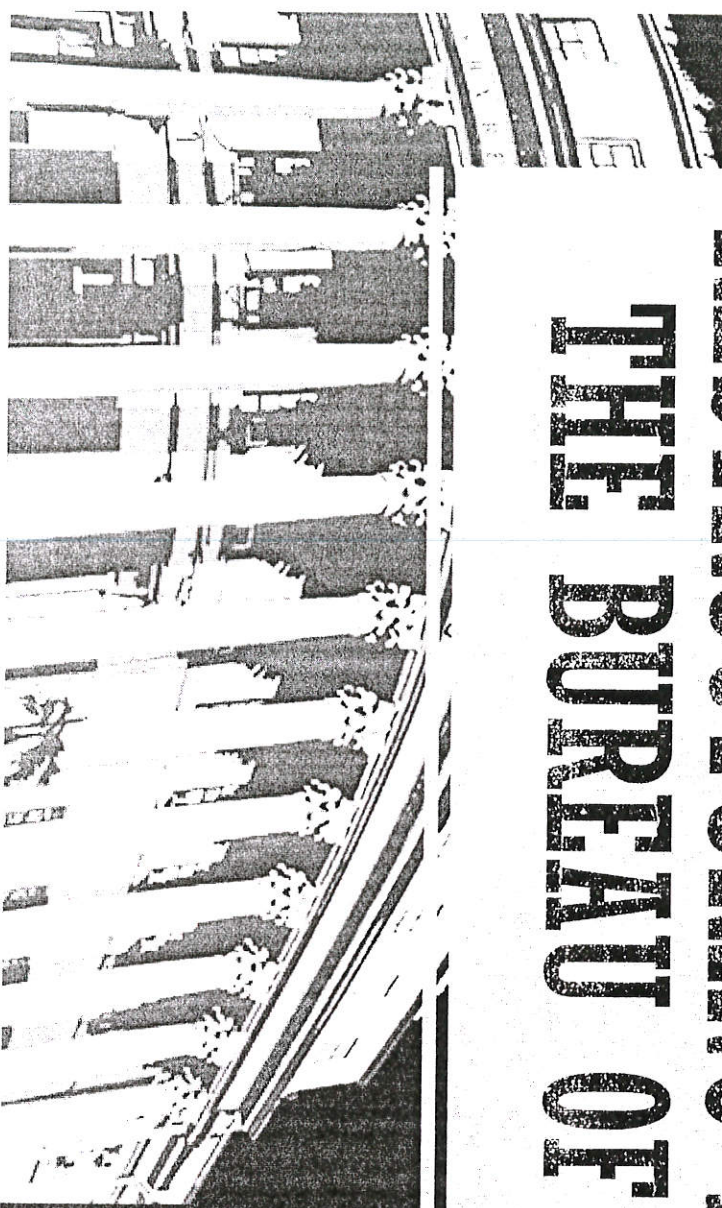

SUBJECT: Comments on the Restructuring of the Bureau of Customs' Organizational Structure

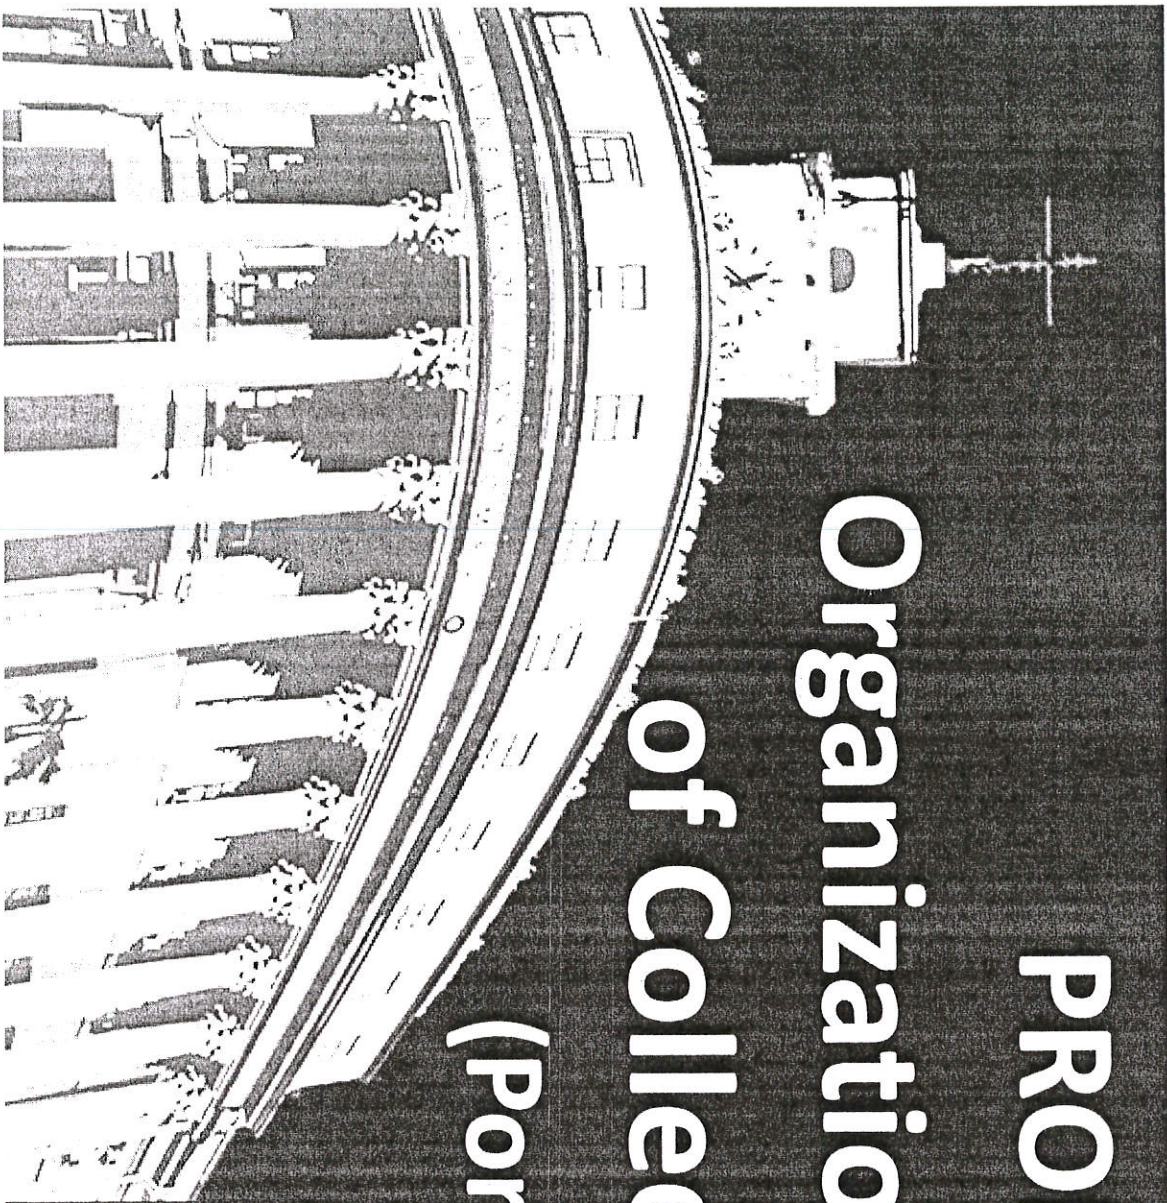

DATE: February 4, 2019

- (1) The Customs Modernization and Tariff Act (CMTA) emphasizes the three (3) main functions of Bureau of Customs namely: revenue collection, trade facilitation and border protection. In relation thereto, to effectively carry out these mandates, an organizational and functional re-alignment should be undertaken by the BOC. Certain offices will either be created, renamed, transferred to another Group or Collection District, or upgraded or downgraded to avoid redundant and overlapping functions. Also, some offices will be abolished or merged for optimal efficiency.
- (2) Therefore, all District Collectors are directed to submit their comments on the attached draft of the BOC Organizational Structure, on or before 5:00PM, February 15, 2019 to the Policy, Planning and Research Office, with a soft copy submitted through e-mail address jerome.tomas@customs.gov.ph.
- (3) Non-submission of comments after the deadline shall automatically mean the concurrence of your office on the draft organizational structure of your respective Collection District.
- (4) For strict compliance.
