MAY 06 2019

SUBJECT : CLARIFICATION ON MEMORANDUM DATED 24 March 2019
on alert of all resin shipments

DATE : MAY 06, 2019

This is to clarify the instruction given during the recent District Collectors Conference on the above subject that 100% physical examination is a must for all resin shipments, which arrived at your respective ports on March 26, 2019 and earlier dates. Issuance of alert orders for resin shipments arriving thereafter shall rest upon the sound judgment of the Intelligence Group and District Collectors.

Meanwhile, everyone is enjoined to exercise extraordinary diligence, continuous profiling and conduct constant monitoring of the entry of resins into the ports to avert possible use of resin as modus operandi in smuggling prohibited and/or regulated substances.

For guidance and implementation.
