RE : **REITERATION OF THE STRICT IMPLEMENTATION OF CAO
8-2007 & CMO 28-2007**

DATE : **FEBRUARY 21, 2014**

It was observed that in spite of repeated reminders, box 31 of Single Administrative Documents (SADs) lodged, and Import Entry and Internal Revenue Declarations (IEIRDs) filed and processed in the Bureau, still shows general descriptions.

General Descriptions like TIRES, PLASTIC RESINS, PACKAGING MATERIALS, BEVERAGES, FOODSTUFF, FURNITURES, TEXTILES, FABRICS, MOTOR VEHICLE, and the likes, remain unabated

Here is an example of a specifically described shipment, compliant to CAO 8-2007, showing the brand, general description, specific description (variant, flavor, etc.) and packaging:

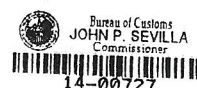

OREO COOKIES SANDWICH, STRAWBERRY, 137g X 24

Please be reminded of your duties pursuant to Sections 1307, 1403, 1405 and the provisions on penalties pursuant to Sec. 3604 of the Tariff and Customs Code of the Philippines, as amended

You are hereby directed to ensure proper implementation of the provisions of CAO 8-2007 and CMO 28-2007

For strict and immediate compliance

**JOHN P. SEVILLA
Commissioner**
