Dear **Secretary Dominguez**:

Sir, this is to respectfully inform your good office that the National Meat Inspection Service (NMIS) is ready and will now start to use the Tradenet Platform (Tradenet.gov.ph) for the pilot implementation of the Meat Importer Accreditation on 06 August 2021. Initially, five pilot users will be using the said platform, namely:

1. Supervalve Inc.
2. Sabelstian Corp.
3. First Maestro Foodservice Co.
4. Multi-M Food Corporation

Meanwhile, the rest of the stakeholders will still use the current manual procedure for the Accreditation of Meat Importers, but will eventually migrate to the Tradenet System in due time.

Please note that while the pilot implementation of the Meat Importer Accreditation will be in electronic form or automated, this does not preclude the presentation and acceptance of a manually prepared amended permit, in cases allowed by the rules.

We wish to extend our appreciation to the DOF for the support and assistance rendered in the preparation of NMIS' onboarding to the TradeNet platform. Our team will continue to work relentlessly with your Office in advancing the ease of doing business for our stakeholders.
