Dear Commissioner Lina,

In the past years, the Government Service Insurance System (GSIS) headed by the current GSIS Board of Trustees has conducted various consultative meetings with Public Sector Union (PSU) Representatives.

This year, it is our goal to reach out not only to PSUs but to other employee-oriented organizations as well.

It is in this regard that we are communicating with you to request for information regarding public sector unions, cooperatives, associations and employee organizations which promote employee welfare in your agency excluding sports, religious and special interest clubs.

The GSIS has scheduled another consultative meeting in NCR on May 13, 2016. Relative to this planned activity, may we request that the attached form be accomplished with the requested details. In such cases that your agency would have multiple organizations, may we request that one (1) form be accomplished for each public sector union, cooperative, association and employee organization.

We are hoping to receive your feedback on or before February 10, 2016.

For queries and other concerns regarding this project, please do not hesitate to get in touch with Ceazar M. Regio at 09176236781 and (02)479-3586.

Thank you for your assistance and support in this endeavor.

Very truly yours,

ATTY. NORA MALUBAY-SALUDARES
