City of Manila

RE: IMPORT DATA OF IRON AND STEEL PRODUCTS BEARING THE NAME GALVALUME

Dear Deputy Commissioner Dy Buco:

I am writing to submit the needed import data of iron and steel products provided to us by the Department of Trade and Industry's Bureau of Import Services. These records cover the period from January to November 2017.

Information from these data will reveal that certain unscrupulous competitors are importing tons of flat sheet metal under the name Galvalume, a duly registered trademark name exclusively owned by our company, Steel Corporation of the Philippines.

Galvalume is also duly recorded with the BOC's Intellectual Property Unit by virtue of Customs Memorandum Circular NO. 194-2017 issued on 10 November 2017, a copy of which was personally hand carried by me and given you when the undersigned and our Communications, Public Relations and Government Engagement Manager, Ed Navarrete, recently made a courtesy call to your office.

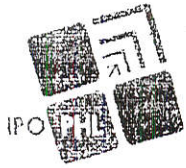

We at Philsteel always have adhered to a business principle deeply rooted in quality and fair play for nearly four decades now. With the intellectual patent recordation we have submitted to the BOC, along with these official government importation records revealing the list of importers/competitors blatantly infringing our duly registered patent name, we pray that sense of fair competition will finally be enforced with the help of your office by means of checking, apprehending and/or prosecuting these business entities using our trusted brand's name to mislead the public.

We are one with the current administration's thrust for a corruption-free and transparent government.

Very truly yours,

Paul Dennis Eric R. Oraa
