CUSTOMS MEMORANDUM ORDER
NUMBER: 10-2002

TO: All District/Sub-Port Collectors
Division Chiefs or equivalent units

Reports reaching this Office reveal that in many instances, responsible district and/or sub-port officials are not found in their respective places of assignments for the simple reason that they are attending meetings and conferences, thereby disrupting port operations and the normal flow of work.

In this connection, you are hereby advised to hold conferences and attend meetings only after office hours except, when the conference or meeting is called by other government agencies or by immediate superiors, in which case, the official who is next in rank shall be designated to act on transactions and/or papers pertaining to the office concerned. For record purposes, the District Collectors & Sub-Port Collectors are directed to submit to this Office the names, position or designation of the next in rank officers who have been designated to act on transactions in the absence of the above named officials on or before 14 February 2002. Any change of designations shall likewise be communicated to this Office immediately.
