NO. 21-2007

To: All Deputy Commissioners
    Service Directors
    District/Port Collectors
    Division Chiefs
    And all concerned Officials and Employees

Subject: Procedural Guidelines in the Requisition, Issuance, Reporting, and Monitoring of BOC Accountable Forms

I. Objectives:

2. To properly monitor the usage of Accountable Forms Inventory;
3. To ensure accurate reporting of income generated from the sale of Accountable Forms with money value;
4. To establish the actual amount of Accountable Forms Inventory in the Regular Agency Book;
5. To strictly conform with the Matching Principle of recognizing revenues and costs;
6. To ensure that Accountable Forms Inventory is physically secured and completely and accurately recorded, and;
7. To strengthen internal control system over requisition, issuance, reporting, and monitoring of Accountable Forms Inventory.

II. Definition of Terms:

1. Accountability - is defined as "a person’s obligations to carry out its responsibilities and be answerable for decisions and activities."
2. Accountable Forms Inventory - is used to record the cost or appropriate value of accountable forms acquired/requisitioned for use in the course of government operations and/or sale.
3. Accountable Officer - is any officer or employee of the government who by reason of his office or duty is required or is permitted to have custody of public funds or property.
4. Cash Receipt Journal - is used to record cash receipts/collections which are required to be recorded in the Regular Agency (RA) books.
5. **Journal Entry Voucher (JEV)** - is used for all transactions of the government, whether cash receipts, cash/check disbursements or non-cash transactions prepared based on transaction documents presented.

6. **National Government (NG) Book** - is used to record income/collections which the agency cannot use and are required to be remitted to the National Treasury.

7. **Regular Agency (RA) Book** - is used to record the regular transactions of the agency like the receipt and utilization of Notice of Cash Allocation (NCA) and collections of income and other receipts, which the agency can use.

8. **Report of Accountability for Accountable Forms (RAAF)** - shall be prepared by the Accountable Officer to report on the movement and status of accountable forms in his possession. The accountable forms include those with or without money value.

9. **Report of Collections and Deposits (RCD)** - shall be prepared by the Cashiers/Collecting Officers to report all collections received and deposits made. The report lists all the Official Receipts (Ors) issued in numerical sequence, including the cancelled ones.

10. **Report on the Physical Count of Inventories (RPCI)** - shall be used to report the physical count of supplies by type of inventory as of a given date. It shows the balance of inventory items per cards and per count and shortage/average, if any.

11. **Requisition and Issue Slip (RIS)** - shall be used to request supplies and materials that are carried on stock.

12. **Stock Card** - shall be used to record all receipts and issuances of supplies. It shall be maintained by the Supply and Property Unit for each item in stock. This form serves as a guide in preparing the estimates of the quantity and description of articles needed and in guarding against overstocking of supplies and materials. It also facilitates physical inventory taking.

13. **Subsidiary Ledger (SL)** - is a book of final entry containing the details or breakdown of the balance of the controlling account appearing in the General Ledger (GL). Postings to the SL generally come from the source documents.
