IN THE MATTER OF THE PRELIMINARY DETERMINATION
OF THE SAFEGUARD MEASURES CASE AGAINST THE
IMPORTATION OF CERAMIC FLOOR AND WALL TILES
FROM VARIOUS COUNTRIES (SAFEGUARD CASE NO. 01-2001)

ORDER

The Philippine ceramic tiles industry, represented by Mariwasa Siam Ceramics and Lekanto (Guoco) Ceramics, filed a safeguard measures protest against the importation of ceramic floor and wall tiles, glazed and unglazed, from various countries. The protest alleged that ceramic floor and wall tiles are being imported in increased quantities and that as a result thereof causes serious injury to the domestic industry.

The period of investigation covered imports from 1996 to 2000. For injury determination, the Department considered relevant information for the same period.

WHEREFORE, IN VIEW THEREOF, the Department of Trade and Industry, acting under Section 7 of RA 8800, the “Safeguard Measures Act”, found after preliminary determination, an affirmative finding that increased imports of the product under consideration have caused serious injury to the domestic industry, particularly in terms of declining market share, domestic sales and gross profits, increasing finished goods inventory and under-utilization of production capacity leading to plant closure.

Pursuant to Section 8 of RA 8800 which provides that “in critical circumstances where a delay would cause damage which would be difficult to repair, and pursuant to a preliminary determination that increased imports are a substantial cause of, serious injury to the domestic industry” the imposition of a provisional measure in the form of a cash bond amounting to P5.46 per kg. shall be imposed for a period not exceeding 200 days from the date of the issuance by the Bureau of Customs, of the relevant Customs Memorandum Order (CMO) on all importations of ceramic floor and wall tiles, glazed and unglazed, classified under HS Codes 6903.90.10 and 6908.90.00. However, the provisional duty shall not be applied to imports sourced from those countries which are already deemed exempted by virtue of the “developing country rule” as provided in the subsequent paragraph of this Order.

Pursuant to Section 9 of RA 8800 which provides that “in critical circumstances where a delay would cause damage which would be difficult to repair, and pursuant to a preliminary determination that increased imports are a substantial cause of, serious injury to the domestic industry”, the imposition of a provisional measure in the form of a cash bond amounting to P5.46 per kg. shall be imposed for a period not exceeding 200 days from the date of the issuance by the Bureau of Customs, of the relevant Customs Memorandum Order (CMO) on all importations of ceramic floor and wall tiles, glazed and unglazed, classified under HS Codes 6903.90.10 and 6908.90.00. However, the provisional duty shall not be applied to imports sourced from those countries which are already deemed exempted by virtue of the “developing country rule” as provided in the subsequent paragraph of this Order.
Considering that imports from Thailand, India, Sri Lanka and Iran are less than 3% of the total Philippine imports during the period of investigation, imports from these countries are, therefore, exempted from the application of provisional safeguard measures as provided in Rule 8.8 of the IRRs of RA 8800 (developing country rule).

Considering further that ceramic tiles is one of the products covered by the ASEAN-CEPT Agreement, as provided under Articles 6 and 8 of the said agreement the Philippines is required to notify the Ministerial Level Council and to accord adequate opportunity for consultations with the governments of the ASEAN countries concerned i.e. Indonesia, Malaysia and Singapore, which may be affected by the application of provisional measures on imports sourced from ASEAN countries. Thus, for imports originating from ASEAN countries the provisional safeguard measure shall be imposed upon compliance with Articles 6.3 and 8 of the ASEAN-CEPT Agreement.

The case records will be transmitted to the Tariff Commission for formal investigation to determine whether or not there is a need to impose a definitive safeguard measure.

Let this Order be published immediately in two (2) newspapers of general circulation.

This Order shall take effect immediately.

SO ORDERED.
