II. PREFATORY STATEMENT

Republic Act No. 6713, otherwise known as "Code of Conduct and Ethical Standards form Public Officials and Employees" provides under Rule VI (Duties of Public Officials and Employees) that a request or petition, whether written or verbal, can be disposed of promptly and expeditiously and that the employee in charge to whom the same is presented shall do so immediately, without discrimination and in no case beyond fifteen (15) days from receipt of the request or petition.

Also, Republic Act No. 9485, otherwise known as "Anti-Red Tape Act of 2007" mandates that all applications and/or request in the frontline services shall be acted upon within the prescribed period under the Citizen's Charter, which in no case shall be more than five (5) working days for simple transactions and not more than ten (10) days for complex transactions from the time it was received.

In the inaugural speech of President Rodrigo Roa Duterte, the first policy he laid down for his administration is to limit redundant requirements and reduce processing time for issuing business permits "to the barest minimum".
