SUBJECT : PREFERENTIAL ASSIGNMENT FOR RETIRABLES

DATE : February 13, 2018

1. This is in relation to my pronouncements relative to the giving of preferential assignments to those who are to retire in six (6) months from the service at the Bureau of Customs.

2. For the information of all Bureau officers and personnel, preferential retirement shall mean that within the last six (6) months of your service to the Bureau of Customs, you are given assignments that will allow you to ensure that all documents, papers and other requirements relative to your retirement are processed and submitted on time, akin to the non-duty status of the police and the military.

3. For information and widest dissemination.
