SUBJECT: Implementing Department of Health (DOH) Department Circular No. 2020-0034 re: GUIDELINES AT ALL SEAPORTS FOR PREVENTION AND SPREAD OF NOVEL CORONA VIRUS ACUTE RESPIRATORY DISEASE (2019-nCOV ARD)

Pursuant to DOH Department Circular No. 2020-0034 dated 04 February 2020, the following rules and regulations are hereby issued governing the conduct of boarding formalities for all vessel coming from China, Macau and Hongkong SAR or has passed through in the past fourteen (14) days prior to arrival in the country.

1. As provided under the Port Operations Manual, boarding formalities by the Customs Operations Officer on vessels shall be made after the conduct of Quarantine Boarding formalities and issuance of the Free Pratique by Quarantine officials.

2. Boarding by Customs Officials shall be made at anchorage, as a general rule, unless boarding at anchorage is not possible by reason of safety or vessel limitation. In such cases, boarding shall be done pierside.

3. Customs officers involved in the conduct of boarding formalities must ensure that they are equipped with safety equipment prescribed by the Quarantine Medical Officer (QMO).

4. As far as practicable, the No Contact policy shall be observed during the conduct of boarding formalities.

5. The Chief of the Piers and Inspection Division (PID) or equivalent office shall report all possible cases where symptoms of nCOV ARD are manifested by any officer, crew and passengers of the vessel.

6. The PID officer concerned shall maintain a log recording all procedures and activities undertaken in the vessels subject of DOH Circular 2020-0034, from the conduct of boarding formalities until the vessel’s departure from the Port. A copy of the log shall be provided the Deputy Collector for Operations of the Port.

7. To contain or prevent possible spread of the nCOV ARD, issuance of all Boarding Passes is hereby suspended, except for chandling purposes, during the duration of the nCOV ARD threat or until further notice.
8. All District/Port Collectors shall ensure that all BOC personnel involved in boarding formalities and supervision of vessels are equipped with the proper safety and health equipment as may be prescribed by the Bureau of Quarantine. Funding for the purchase of safety and health equipment shall be sourced from the budget of the Bureau, subject to procurement, accounting and auditing laws, rules and regulations.

9. As provided under DOH Circular 2020-0034, the following activities shall be strictly prohibited:

   1. Embarkation of Filipinos in any cruise ship going to China;
   2. Embarkation/dismount for all vessels calling from China, Hongkong and Macau SAR; and
   3. Waste disposal of vessels coming in from China, Hongkong and Macau SAR, in the past fourteen (14) days.

10. Hygienic practices and sanitary measures shall be observed at all times, including the disposal of used safety and health equipment.

11. Violation of this Order by any Customs personnel or any individual concerned shall be a ground for imposition of sanctions as may be provided under Section 1433 of the Customs Modernization and Tariff Act and other related laws, rules and regulations.

SUBJECT : GUIDELINES AT ALL SEAPORTS FOR PREVENTION AND SPREAD OF NOVEL CORONAVIRUS ACUTE RESPIRATORY DISEASE (2019-nCoV ARD)

On 30th of January 2020, the World Health Organization (WHO) declared the 2019-nCoV ARD as a Public Health Emergency of International Concern (PHEIC). The WHO emphasized the urgent need to coordinate international efforts to investigate and better understand 2019-nCoV, to minimize threat in affected countries and to reduce the risk of further international spread.

On the 31st of January 2020 President Rodrigo Duterte through the recommendation of the Inter-Agency task force for Emerging and Re-emerging Diseases issued a temporary travel ban for those travelers coming from China, including Hong Kong and Macau SAR.

In line with the directive of the President, the Bureau of Quarantine shall be implementing the following measures effective immediately at all seaport for all maritime vessels.

A. For Cruise Vessel

A.1 All Cruise Ships with passengers, regardless of nationality, from China, Macau and Hong Kong SAR or had passed through in the past fourteen (14) days are not allowed to dock at any Philippine port.

A.2 All Cruise Ships not calling on the ports of China, Macau and Hong Kong SAR within the last fourteen (14) days are allowed to dock in Philippine ports. They must undergo complete screening measures, submission of duly-accomplished Maritime Declaration of Health, and other pertinent documents related to 2019-nCoV ARD.

A.3 All Cruise Ships allowed to dock must declare all travel itineraries/excursions in the Philippines.
A.4 The master of vessel must report immediately any occurrence of flu-like symptoms (e.g. fever, cough, colds, body weakness and difficulty of breathing). In an event of flu like manifestation arise, the master must immediately report to the Quarantine Medical Officer (QMO) for guidance on implementing infection prevention and control protocols to minimize the spread of infection on board.

A.5 The QMO will conduct triaging of case/s using current Case Definition. *(Please refer to Annex 1 Decision Tool for nCoV ARD Assessment for BoQ and Hospitals as January 30, 2020)*

A.6 No Filipinos are allowed to embark in any cruise ship going to China.

B. For Cargo Vessels

B.1 All vessels calling from China, including Hong Kong and Macau SAR, in the past fourteen (14) days must be boarded at the quarantine anchorage.

B.2 Upon arrival at quarantine anchorage, the master of vessel must hoist at its foremost the yellow flag and inform immediately the Quarantine station at assigned port through ship agents. Strictly no embarkation/desembarcation policy.

B.3 Quarantine Boarding formalities shall ensue – the master of the vessel shall submit a duly accomplished Maritime Declaration of Health and BOQ shall issue free pratique. Other boarding formalities shall commence.

B.4 Vessels cleared at the first port of entry and calling another local port, which within the past 14 days travelled from China, Hongkong and Macau SAR, must be boarded at the designated Quarantine anchorage area by QMO, submit duly accomplished Maritime Declaration of Health and other pertinent documents.

B.5 The master of vessel must report immediately any occurrence of flu-like symptoms (e.g. fever, cough, colds, body weakness and difficulty of breathing). In an event of flu like manifestation arise, the master must immediately report to the QMO for guidance on implementing infection prevention and control protocols to minimize the spread of infection on board.

B.6 The QMO will conduct triaging of case/s using current Case Definition. *(Please refer to Annex 1 Decision Tool for nCoV ARD Assessment for BoQ and Hospitals as January 30, 2020)*

B.7 Ship agent of Vessel with PUI situated in a non-competent port will arrange the immediate diversion of the vessel to the nearest competent port (Manila and Cebu) in the Philippine territory.

B.8 PUI in a competent port will be conducted to a dedicated hospital and the vessel will be declared as **affected vessel**. A confirmed laboratory result of case will
commence a 14-day quarantine at the anchorage and hoist the Lima flag. Day zero starts at the conduction of the PIU.

On the 14th day, the QMO will board the vessel, examine the documents, muster the crew and issue a free pratique. The master of vessel may then lower down yellow flag, and other formalities will commence.

C. General Preventive Measures

C.1 Continue hygienic practices and sanitary measures at all times.

C.2 Waste disposal of vessels coming in from China, including Hong Kong and Macau SAR, in the past fourteen (14) days, are not allowed in Philippine ports.

For strict compliance.

This issuance may be changed depending on the evolving public health conditions.

All issuances inconsistent with any provision of this memorandum are deemed revoked, amended or modified accordingly.
