SUBJECT : REVISED POLICY ALLOWING CHANGE IN RETIREMENT DATE, RETIREMENT MODE, AND RETIREMENT BENEFIT OPTION UNDER REPUBLIC ACT 8291 AND PRESIDENTIAL DECREE NO. 1146

The existing policy guidelines allowing change in retirement date, mode, and benefit option, as approved under Board Resolution No. 69 dated 11 June 2014, allow retired members under Republic Act (RA) 8291 to convert to any other GSIS retirement mode or change their retirement option (from *five-year lump sum and monthly pension after five years* to *18-month cash payment with immediate pension*, or vice versa) provided that the retirement proceeds have neither been credited to the member's bank account nor the retirement check received by the member or his/her authorized representative.

The policy, however, does not include retirees under Presidential Decree (PD) No. 1146.

To ensure adherence to the constitutional guarantee of equal protection of the law and other applicable legal and regulatory requirements, the following revisions (underscored texts) in the existing policy guidelines on change in retirement date, retirement mode, and retirement benefit option shall be implemented effective 5 April 2018 per Board Resolution No. 47 dated 13 March 2018.

Under the revised policy, a member, after filing an application for retirement, may be allowed to request for conversion of retirement mode, change in retirement option, or change in retirement date, subject to the following conditions or requirements:
