CUSTOMS MEMORANDUM CIRCULAR

NO. 198-2021

To: All Deputy Commissioners
All Service Directors
All District/Port Collectors
All Others Concerned

SUBJECT: Implementation of Bureau of Philippine Standards (BPS) Mandatory Product Certification Schemes

With reference to the attached letter dated 06 September 2021 from Atty. Ruth B. Castelo, Undersecretary, Consumer Protection Group, Department of Trade and Industry (DTI) relative to the reports and complaints received by the DTI regarding the influx of uncertified imported products being sold in online platforms, all Collection Districts are hereby directed to require all importers of all products covered under the BPS Mandatory Product Certification Schemes to secure and present clearance from the BPS prior to the release of the commodities from Customs' custody.

Be reminded that only an **Import Commodity Clearance (ICC)**, **Certificate of Conditional Release (CRR)**, or **Certificate of Exemption (COE)** duly issued by the BPS shall be accepted as valid clearance for the release of subject shipment from the BOC. A copy of a Philippine Standard (PS) License issued by the BPS to a foreign manufacturer **shall not suffice** as an import clearance from the Bureau.

Also provided are the specimen signatures of the BPS' approving authorities as reflected in the ICC, CCR, and COE originating from said office, for ready reference.

Moreover, you are also directed to submit an electronic weekly report to Port Operations Service, AOCG through pocd@customs.gov.ph starting **September 27 to October 1, 2021** using the attached template (**Annex "A"**), together with the scanned copies of the ICC, CCR or COE.

For full List of Products under Mandatory Certification, please refer to the attached DTI Memorandum Circular No. 21-22 s. 2021.

For strict compliance.

For record purposes, please confirm the dissemination of this Circular throughout your offices within fifteen (15) days from receipt.

Dear Commissioner Guerrero:

This has reference to the implementation of the Mandatory Product Certification Schemes by the Bureau of Philippine Standards (BPS) as mandated by the Republic Act (RA) No. 4109 (Standards Law) and reiterated in RA No. 7394 (Consumer Act of the Philippines).

The consistent coordination between the DTI and the BOC throughout the years has paved the effective implementation of the aforesaid laws towards achieving the general objective of protecting the consumers from trade malpractices and substandard products in the market.

However, the DTI has been receiving reports and complaints recently regarding the influx of uncertified imported products being sold in online platforms. As such, the DTI, through its Consumer Protection Group, intends to strengthen its coordination with the BOC, being the first line of defense of the country against smuggling and other frauds committed against applicable laws.

In view thereof, the DTI Consumer Protection Group requests to the BOC to strengthen its requirement to all district and support collectors to require all import shipments of products covered under the BPS Mandatory Product Certification Schemes to secure and present clearance from the BPS prior to the release of the commodities from the BOC.

Currently, the BPS' list of products under mandatory certification covers 87 electrical and electronic products, mechanical/building and construction materials, and chemical and other consumer products. Attached is the updated list for your reference.

Please be reminded that only an **Import Commodity Clearance (ICC)**, **Certificate of Conditional Release**, or **Certificate of Exemption** duly issued by the BPS shall be accepted as a valid clearance for the release of subject shipments from the BOC. A copy of a Philippine Standard (PS) License issued by the BPS to a foreign manufacturer shall not suffice as an import clearance from the Bureau.

For your reference and guidance in identifying the authenticity of the said certificates, please refer to the following specimen signatures of the BPS' approving authorities for its Import Commodity Clearance (ICC), Certificate of Conditional Release, and Certificate of Exemption.
