Special Bids & Awards Committee on Information Systems Technology

**REQUEST FOR EXPRESSION OF INTEREST
FOR THE**

**Selection of Service Provider for the
Support and Maintenance of the E2M System**

The **Bureau of Customs** invites interested parties for the Project. The Project involves configuring and maintaining the presently installed software system at the BOC, which currently runs on the Trade World Manager ("TWM") software. Interested parties must satisfy the following requirements:

- a) The party owns title, copyright, and all other intellectual property in the TWM software, including but not limited to, TWM components and algorithms, or has been granted by the owner thereof the right to use, manage, develop, and apply the TWM software;
- b) The party must be a certified service provider for the development, customization, modification, maintenance and upgrading of software and applications, particularly the TWM, using the SOClass framework, or has been granted by such certified service provider the right to provide the foregoing services.
- c) The party must be capable of programming/reprogramming and customization of trade/customs software.

Interested parties must submit their expression of interest and proof of qualifications (original or certified true copy) on or before **July 7, 2017 at 2:00 PM** addressed to:

*The Secretariat for the Special BAC for Information Systems Technology
G/F Customs ICT Center
16th Street, Gate 3, South Harbor
Port Area, Manila*
