SUBJECT : OCOM DASHBOARD

DATE : December 18, 2018

In line with the declared policy of the Bureau of Customs to employ modern practices in customs administration and to utilize information and communications technology in the implementation of customs functions pursuant to Section 101 (f) of the CMTA, an **OCOM Dashboard** is hereby created to provide this Office with a real-time mechanism to consolidate all data and reports of customs operations including Key Performance Indicators of each office.

In view thereof, you are hereby directed to extend full support and assistance to the project by providing on a regular basis electronic copies of ALL data and reports of your office through email or other means. The Assistant Commissioner, Post Clearance Audit Group, is designated to implement and coordinate the operation of the said project.

For strict compliance.
