COMMISSIONER YOGI FILEMON L. RUIZ, CESE
Office of the Commissioner
Bureau of Customs
G/F OCOM Building, 16th Street
South Harbor, Port Area, Manila

Sir:

Greetings!

Technical Education and Skills Development Authority (TESDA) Region II envisions to be the transformational leader in the technical education and skills development of the Filipino workforce in this part of the country. In order to address the demands of the Filipino workforce, we are guided by the TESDA Abot Lahat guiding principle which seeks to address the skills requirements of the Filipinos across all social sectors.

To achieve this goal, there is a need to continuously upgrade training facilities and equipment as TESDA's response in addressing global competitiveness while, at the same time, opening door of opportunities for social inclusion.

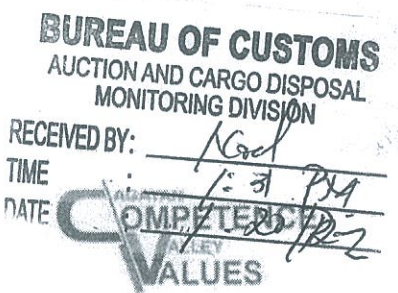

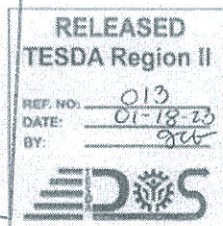

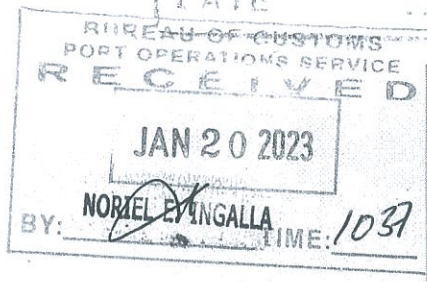

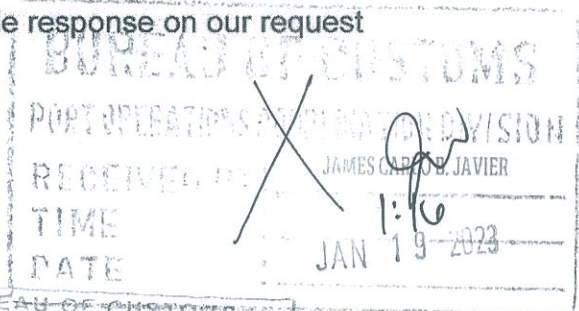

In this connection, may we request your good office for donation of vehicles such as SUV, Sedan and other multi-purpose vehicles which will be used for the implementation of scholarship programs in the region and other training purposes.

Thank you and we look forward to your favorable response on our request

Very truly yours,

[Signature]
