2. Pursuant to BOC-PEZA JMO No. 1-2015A, the GTSB valid for a calendar or fiscal year shall be applicable without need for "charging/debitng" or liquidation by the Bonds Division or other customs office as a condition for the approval of the transshipment. For year 2015, PEZA locators may be allowed to secure additional bond but only for difference of the required bond against the existing valid GTSBs.
3. In case the E2M server is down, locators has the option, when processing manually, to submit the TSAD print-out in lieu of the CEWE and Transshipment Permit provided under Section 10 of the BOC-PEZA JMO 1-2015.

For your guidance.
