WHEREAS, under Section 234 of Republic Act (RA) No. 7160 or the "Local Government Code of 1991," government-owned or -controlled corporations (GOCCs) engaged in the generation and transmission of electricity enjoy a number of exemptions/privileges with respect to real property taxes, including an assessment level of 10% on all its lands, buildings, machineries and other improvements, as well as an exemption for all machinery and equipment that are actually, directly and exclusively used in the generation and transmission of electric power and machinery and equipment used for pollution control and environmental protection;

WHEREAS, various local government units (LGUs) have taken the position that Independent Power Producers (IPPs) operating within their territories, which are not GOCCs, are not entitled to the exemptions/privileges of GOCCs with respect to real property taxes on their property, machinery and equipment used in the generation and distribution of electric power, and have threatened enforcement action against IPPs, including the levy and sale at public auction of the affected properties;

WHEREAS, since a substantial portion of real property taxes being charged have been contractually assumed by the National Power Corporation/Power Sector Assets and Liabilities Management Corporation and carry the full faith and credit of the National Government, the collection of the subject real property taxes by the LGUs concerned will trigger massive direct liabilities on the part of such GOCCs, thereby threatening their financial stability, the government's fiscal consolidation efforts, the stability of energy prices, and may even trigger further cross-defaults and significant economic losses across all sectors;

WHEREAS, under Section 277 of RA No. 7160, the President may, when public interest so requires, condone or reduce the real property tax and interest for any year in any province or city or a municipality within the Metropolitan Manila Area; and
