Subject: **TRANSBOUNDARY MOVEMENT OF COPPER SCRAP IS NOT COVERED BY AN EXPORT CLEARANCE REQUIREMENT**

Dear Ms. Casinillo:

This has reference to your e-mail (IIS Transaction No.: CO-2022-032478) on 15 August 2022 inquiring the requirements for the export of copper scrap.

Please be informed that the above-mentioned scrap is not classified as hazardous waste pursuant to Table 2.1 of DENR Administrative Order (DAO) No. 2013-22: *Revised Procedures and Standards for the Management of Hazardous Wastes (Revising DAO 2004-36)*. Thus, the transboundary movement of such recyclable material is not covered by an Export Clearance requirement. However, you are enjoined to determine if the subject export is regulated by the country of destination so that we can provide the necessary written notification for them.

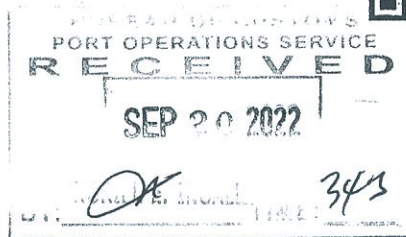

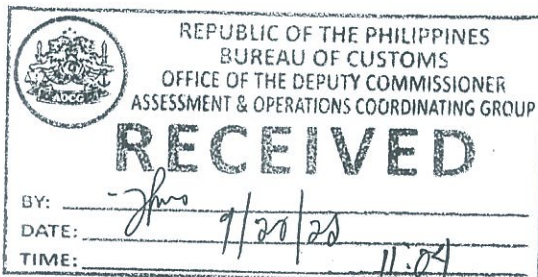

We hope we have addressed your concern.

Very truly yours,
