CUSTOMS MEMORANDUM CIRCULAR

NO. 154-2021

To: All Deputy Commissioners
All Service Directors
All District/Port Collectors
All Others Concerned

SUBJECT: DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES (DENR) ADMINISTRATIVE ORDER (DAO) 2021-06

With reference to the letter dated June 25, 2021 from Marcial C. Amaro, Jr., CESO III, Assistant Secretary for Policy, Planning and Foreign Assisted and Special Projects, and Director, Forest Management Bureau (FMB), DENR, all concerned are informed that the reference policy on wood importation, DAO No. 99-26 was already repealed by DAO No. 2021-06 dated April 21, 2021, otherwise known as the Revised Regulations Governing the Entry and Disposition of Imported Wood Products.

Further, the newly promulgated policy has finally adopted the ASEAN Harmonized Tariff Nomenclature (AHTN) covering wood products with their corresponding tariff codes, which will be directly regulated by the DENR through its respective regional offices. The salient features of the new DAO are as follows:

- a. the ports of entry were expanded under Section 6;
- b. the transport documents from the port of entry to the point of destination were simplified under Section 8; and
- c. the documentary requirements for registration were limited to the following: proof of juridical personality, electronic copy of Purchase Order and the list of wood species for imported products belonging to AHTN Code Nos. 44.03 and 44.07.

Moreover, the FMB is requesting to circulate that the new DAO is already enforced, with emphasis on the AHTN codes, for the guidance of all agents/contractors and dealers engaged in wood and wood products importation.

For information and guidance.

For record purposes, please confirm the dissemination of this Circular throughout your Offices within fifteen (15) days from receipt thereof.

Dear Commissioner Guerrero:

This pertains to the numerous queries and requests this Office has been receiving on the entry and disposition of imported wood and wood products from registered agents, dealers and contractors.

Please be advised that the reference policy on wood importation, DENR Administrative Order (DAO) No. 99-46, was already repealed by DAO No. 2021-06 dated April 21, 2021, otherwise known as *the Revised Regulations Governing the Entry and Disposition of Imported Wood Products*, copy hereto attached for your reference.

Moreover, the newly promulgated policy has finally adopted the ASEAN Harmonized Tariff Nomenclature (AHTN) covering wood products with their corresponding tariff codes, which will be directly regulated by the Department of Environment and Natural Resources through its respective regional offices. The other salient features of the new DAO are the following:

- The ports of entry were expanded under Section 6.
- The transport documents from the port of entry to the point of destination were simplified under Section 8.
- The documentary requirements for registration were limited to the following: proof of juridical personality, electronic copy of Purchase Order and the list of wood species for imported products belonging to AHTN Code Nos. 44.03 and 44.07.

In view of the foregoing, may we request your good office to **kindly circulate, through a notice informing the public, that the new DAO is already enforced**, with emphasis on the AHTN codes, for the guidance of all agents/contractors and dealers engaged in wood and wood products importation.

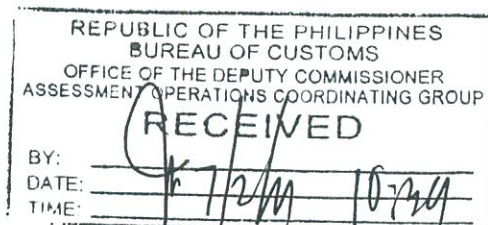

For your information and guidance. Thank you.

Very truly yours,

DENR Administrative Order
 No. 2021- 06

APR 21 2021

SUBJECT : REVISED REGULATIONS GOVERNING THE ENTRY AND DISPOSITION OF IMPORTED WOOD PRODUCTS

Pursuant to Presidential Decree No. 705, series of 1975, as amended, Presidential Decree No. 1433, s. 1978, and Executive Order No. 192 dated June 10, 1987, Republic Act No. 9147 or the Wildlife Resources Conservation and Protection Act, and in order to provide a mechanism to effectively monitor the importation, entry, and disposition of imported wood products, alongside with the existing import guidelines and procedures of the Bureau of Customs (BOC) and the Department of Agriculture-Bureau of Plant Industry's National Plant Quarantine Services Division (BPI-NPQSD), and DENR policy on wood industry rationalization and development, the following regulations and guidelines are hereby promulgated for the guidance of all concerned.

Section 1. Declaration of Policy. It is the policy of the state to sustainably manage the country's forest resources to rationalize the development of the wood-based industries in order to continuously provide the wood supply needs of the country and facilitate international trade towards economic growth.

Section 2. Objectives. The general objective of this Order is to rationalize the requirements and procedures of the importation of wood products into the country, specifically, it aims to:

1. Import wood materials, as a stop-gap measure to ensure a continuous supply of wood raw materials, until such time that local supply from tree plantations can adequately meet the local needs;
2. To augment local sources in order to utilize existing wood processing plant capacities; and
3. Enable wood-based industries including the furniture and other downstream wood industries to generate employment and income.

Section 3. Scope and Coverage. This guideline only covers the entry and disposition of imported wood products with its corresponding tariff codes, shown in the table below:

AHTN No. Code	Imported Wood Products
44.01	Fuel wood, in logs, in billets, in twigs, in faggots or in similar forms; wood in chips or particles; sawdust and wood waste and scrap, whether or not agglomerated in logs, briquettes, pellets or similar forms
44.02	Wood charcoal (including shell or nut charcoal), whether or not agglomerated
44.03	Wood in the rough, whether or not stripped of bark or sapwood, or roughly squared
44.04	Hoopwood; split poles; piles, pickets and stakes of wood, pointed but not sawn lengthwise; wooden sticks, roughly trimmed but not turned, bent or otherwise worked, suitable for the manufacture of walking-sticks, umbrellas, tool handles or the like; chipwood and the like

44.05	Wood wool; wood flour
44.06	Railway or tramway sleepers (cross-ties) of wood.
44.07	Wood sawn or chipped lengthwise, sliced or peeled, whether or not planed, sanded or end-jointed, of a thickness exceeding 6mm
44.08	Sheets for veneering (including those obtained by slicing laminated wood), for plywood or for similar laminated wood and other wood, sawn lengthwise, sliced or peeled, whether or not planed, sanded, spliced or end-jointed, of a thickness not exceeding 6mm
44.09	Wood (including strips and friezes for parquet flooring, not assembled) continuously shaped (tongued, grooved, rebated, chamfered, V-jointed, beaded, moulded, rounded or the like) along any of its edges, ends or faces, whether or not planed, sanded or end-jointed
44.10	Particle board, oriented strand board (OSB), and similar board (e.g., waferboard) of wood or other ligneous materials, whether or not agglomerated with resins or other organic binding substances
44.11	Fiberboard of wood or other ligneous materials, whether or not bonded with resins or other organic substances. - Medium Density Fiberboard (MDF)
44.12	Plywood, veneered panels and similar laminated wood, blockboard, laminboard and battenboard
44.13	Densified wood, in blocks, plates, strips or profile shapes
47.01	Mechanical wood pulp
47.02	Chemical wood pulp, dissolving grades
47.03	Chemical wood pulp, soda or sulphate, other than dissolving grades.
47.04	Chemical wood pulp, sulphite, other than dissolving grades
47.05	Wood pulp obtained by a combination of mechanical and chemical pulping processes

Imported wood products which are not covered by the above-cited tariff classifications shall not be regulated under this policy.

Section 4. Definition of Terms. For purposes of this Order, the following terms shall be construed to mean as defined hereunder:

- a) **Agent** - a person authorized in writing to act for and on behalf of the principal, for the production, procurement, sale or other means of disposal of imported wood materials.

- b) **ASEAN Harmonized Tariff Nomenclature (AHTN)** – refers to the 8-digit nomenclature, consisting of the latest version of the Harmonized Commodity Description and Coding System of the World Customs Organization and the amendments thereto, with the addition of the seventh and eighth digits (referred as the ASEAN subheadings) and commodity description for tariff purposes. It is a tariff code that classifies commodities being imported and exported.
- c) **Authority to Import/ Certificate of Registration (CoR) to Import Wood Materials**– is a document issued by the concerned DENR Regional Executive Director certifying that the entity indicated thereof is authorized to import foreign wood materials into the country (attached as Annex A).
- d) **Bill of Lading**– is a transport document as a contract of carriage between involved parties for the right to deliver and/or claim goods at the port of destination.
- e) **Commercial poles and piles** - large pieces of timber for foundation or harbor works.
- f) **Contractor** - a person who enters into a written contract or agreement with another for whom he undertakes to produce, procure, furnish or sell imported wood materials.
- g) **Convention on International Trade in Endangered Species (CITES) of Wild Fauna and Flora** - a treaty regulating the international trade of fauna and flora listed in its Appendices.
- h) **Dealer** - a person, who, for himself or on commission, sells or offers for sale imported wood materials.
- i) **Importation** – an act of transporting into the country foreign wood products listed under Section 3 hereof for commercial and/or other purposes.
- j) **Packing List** – is an itemized list of goods providing the quantity, description and weight of the freight packaged.
- k) **Plant Quarantine Service Certificate (PQSC)** - is a document issued by the Bureau of Plant Industry (BPI) for those commodities that have been processed to the point where they do not remain capable of being infested with quarantine pests.
- l) **Phytosanitary Certificate (PC)** – an official paper document or its official electronic equivalent, consistent with the model certificates of the IPPC, attesting that a consignment meets phytosanitary import requirements. It is issued by the legal authority from the country of origin to show that the transported wood products have been treated and free from harmful pests and diseases.
- m) **Port of Entry** – shall refer to the first port of call of a foreign carrier into the country designated as such by applicable laws.
- n) **Purchase Order** – official declaration of receiving an order that contains the details about the transaction, parties taking part in it, the type of products involved, and the date of the transaction.
- o) **Sanitary and Phytosanitary Import Clearance (SPSIC)** - is a document issued prior to importation by the BPI to ensure the products being imported meets standard to protect human, animal or plant life or health, and to prevent the spread of pests or diseases among animals or plants. Such document also prescribes the condition to be complied by the importer for the maintenance of quality and suitability of product for the intended purposes.
