In an effort to further protect the integrity of the Alert Order System, this Bureau is currently developing an electronic system to promote transparency and accountability among officials and personnel involved in the issuance and lifting of alert orders. The system is also expected to facilitate the monitoring of the disposition of issued alert orders to ensure compliance with Section 1111 of the CMTA.

In view of the foregoing, you are hereby directed to resolve all pending alert orders in your respective areas before June 15, 2019. By this date, we should not have any pending alerts as we pilot test the new system. Reports on compliance must be submitted to this office on the same date.

For immediate and strict compliance.
