Dear **Commissioner Lapeña:**

We received requests from the members of the Philippine Federation of Food Industry Inc. through their Chairman, Mr. Philip Cea to validate the value of the invoices issued by their supplier regarding their shipment of frozen chicken products to our Trade Representatives posted in the country of origin. Some of these importers and suppliers are included in the list attached to CMC No. 174-2015 which were identified as low risk importers.

In this regard, we would like to reiterate that the meat importers in the list had consistently submitted invoices which were validated by their suppliers and therefore we can be assured that the value information in their import documents are true and correct.

Thank you.

Very truly yours,

Atty. Luis M. Catibayan
