MEMORANDUM

TO : ALL DISTRICT COLLECTORS

FROM : REY LEONARDO B. GUERRERO
Commissioner JUL 15 2019

BOC-05-03477

SUBJECT : AGEING ALERT ORDERS

DATE : July 9, 2019

It has been noticed that the AOMS data show numerous pending and open "AGEING" Alert Orders that have been stagnant since the time of alert issuance. Relative to this, you are hereby instructed to designate a responsible officer to head your alert monitoring unit to monitor all issued alert orders and to take a proactive policy for the immediate finalization of the alert issue.

A weekly report should be submitted to the Office of the Commissioner NLT than 1500H of the last working day of the week to include the latest status of all pending/open Alerted Shipments as well as the Actions taken during the week in a table format as seen below;

AOCHD No.	Alert No.	Alert Date	Entry No.	Consignee	Duration of Alert	Latest Status	Actions during the Week

Be reminded that Section 1111 of the CMTA, CAO 7-2019, CMO 20-2017 and CMO 35-2015 all emphasizes the Prioritization of Examination and Disposition of Alert Orders.

For strict compliance
