SUBJECT : **AUTOMATED BONDS MANAGEMENT SYSTEM (ABMS) FOR TRANSIT UNDER CMO NO. 30-2020.**

DATE : 25 March 2021

In line with the suspension of the implementation of the Automated Bonds Management System for Transit under CMO 30-2020 from 15 March 2021 to 04 April 2021, we would like to inform you that we will be having a one (1) day dry-run on 30 March 2021. This is to ensure the smooth re-implementation of the ABMS for Transit on 05 April 2021. On 30 March 2021, all electronic lodgment of Transit Goods Declarations will require the attachment of bond policy at the Terms of Payment.

We will closely monitor this activity to ensure that all technical and administrative issues have been addressed before we resume the implementation. All issues encountered must be reported quickly to the Deputy Collector for Operations of the respective Ports.

For your information and guidance.
