Dear Mr. Delos Santos:

This has reference to your e-mail dated 05 October 2021 with IIS Transaction No. CO-2021-036438 requesting clearance from this Office for the export of sixteen (16) liters of mud samples to the United States of America (USA) for the sole purpose of laboratory analysis. It is noted that the said samples are generated from a drilling activity located in Makban, Sto. Tomas, Batangas which is conducted by Scientific Drilling International, Inc. Please be informed that we interpose no objection to the proposed export provided that it shall be limited to the declared type and quantity of material.

In this regard, Export Clearance is not required from this Bureau. However, this does not preclude you from complying with the requirements of other government agencies that have a mandate or jurisdiction regulating the same as well as with the domestic regulation of the USA as the State of Import.

We hope we have addressed your concern.

Very truly yours,
