NO. 05-2022

SUBJECT: NON-REQUIREMENT OF ENVIRONMENTAL MANAGEMENT
BUREAU-DEPARTMENT OF ENVIRONMENT AND NATURAL
RESOURCES (EMB-DENR) CLEARANCE FOR THE IMPORTATION
OF USED AND REFURBISHED BIOMEDICAL EQUIPMENT

This pertains to the attached letter-reply dated December 23, 2021 from Engr. William P Cunado, Director, Environmental Management Bureau (EMB), Department of Environment and Natural Resources (DENR) to the request for clearance of Globequipt Corp. for used and refurbished biomedical equipment.

In the same letter, EMB-DENR informs that the importation of the aforesaid equipment is not regulated by Republic Act 6969 (Toxic Substances and Hazardous and Nuclear Wastes Control Act of 1990), specifically Chapter 10 of DENR Administrative Order (DAO) No. 2013-22: Revised Procedures and Standards for the Management of Hazardous Wastes (Revising DAO 2004-30). Hence, an import clearance is not required. However, the same does not preclude compliance with the requirements of other government agencies that has a mandate or jurisdiction regulating the same.

Additionally, should there be misdeclaration, denial of the shipment to enter the country shall be warranted and the Importer and Exporter shall be liable to re-export such shipment to the Country of Export.
