Provisional Duty or Residual Duty for Other Exporters

AHTN Code: 1101.00.10

**Description: Wheat Flour (All Types)** 

(to be imposed for all types of wheat flour originating from Turkey on other

exporters not specifically included in the above list)

| All Other Exporter       | Residual Duty on FOB Price |
|--------------------------|----------------------------|
| All types of wheat flour | 39.26%                     |

The cash bond shall be equivalent to the specific provisional duty as applied on the FOB price of the specific exporter in the above list or to the residual duty applied on the FOB export price for other exporters not listed above.

All cash bond collected shall be deposited and held in trust for the account of the importer posting the bond. In case of a positive finding by the Tariff Commission, the cash bond shall be applied to the anti-dumping duty assessed. If the cash bond is in excess of the anti-dumping duty assessed, the balance shall be returned to the importer, including the interest earned. If the assessed anti-dumping duty is higher than the cash bond, the difference shall not be collected. In case of a negative finding by Tariff Commission, the cash bond shall be released to the importer upon receipt of the order from the Tariff Commission, through the Secretary of Finance.

The cash bond collected shall be in addition to the duties, taxes and other charges due on the wheat flour import from Turkey. No wheat flour import from Turkey shall be released unless the cash bond has been posted and after payment of the duties, taxes and other charges due on said import.

The cash bond on wheat flour imports shall be collected on all imports arriving on the date this Order takes effect and for the succeeding four (4) months thereafter. No cash bond shall be collected after the lapse of the said period.

This Order shall take effect immediately.

JOHN P. SEVILLA Commissioner
