Subject: **INTERPOSING NO OBJECTION TO THE PROPOSED EXPORT OF 800 LITERS OF PULP (WITH 50% SOLIDS) SAMPLE TO AUSTRALIA FOR LABORATORY ANALYSIS/TESTING PURPOSES**

Dear Mr. Bastatas:

This has reference to your e-mail dated 12 May 2022 (IIS Transaction No. CO-2022-019248) inquiring the permit to be secured from this Office for the export of eight hundred (800) liters of pulp (with 50% solids) sample to Australia for laboratory analysis/testing purposes. Please be informed that we interpose no objection to the proposed export provided that it shall be limited to the declared type and quantity of material.

In this regard, an Export Clearance is not required from this Bureau. However, this does not preclude you from complying with the domestic regulation of Australia as the State of Import.

We hope we have addressed your concern.

Very truly yours,
