SUBJECT : FORMAL NOTIFICATIONS ON THE USE OF TRADENET
PLATFORM AS OF SEPTEMBER 2021 OF THE DEPARTMENT
OF TRADE AND INDUSTRY – EXPORT MARKETING BUREAU
(DTI – EMB)

DATE : 18 October 2021

With reference to the attached letter dated 29 July 2021 from Rosvi C. Gaetos, Officer-In-Charge, DTI-EMB, addressed to the Secretary of the Department of Finance (DOF), copy furnished the BOC Commissioner, the Director General, ARTA, the DTI Secretary and the DTI Undersecretary, please be informed that the DTI-EMB has been ready to use/using the Tradenet Platform (Tradenet.gov.ph) to process the Accreditation of Coffee Exporters since 13 August 2021.

The following five (5) stakeholders were initially trained on the use of the said platform last 03 August 2021:

- a) DTI – Cordillera Administrative Region (CAR)
- b) DTI – Region 4-A
- c) DTI – Region 10
- d) DTI – Region 11
- e) DTI – Region 12

As to the rest of the stakeholders, the current system of manual processing of Accreditation of Coffee Exporters will still be used but will eventually migrate to the Tradenet System in due time.

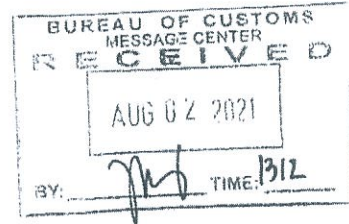

Moreover, while the Accreditation of Coffee Exporters are in electronic form, it should be noted that this does not preclude the presentation and acceptance of a manually prepared amended permit in cases allowed by the rules.

Please be guided accordingly.

Subject: USE OF THE TRADENET PLATFORM (Tradenet.gov.ph)

Dear Secretary Dominguez:

This is to respectfully inform your good office that the Department of Trade and Industry – Export Marketing Bureau (DTI-EMB) is ready to use the Tradenet Platform (Tradenet.gov.ph) to process the Accreditation of Coffee Exporters on August 13, 2021.

Initially, five (5) users will be pilot testing the said platform on 03 August 2021, namely:

1. DTI – Cordillera Administrative Region (CAR)
2. DTI – Region 4-A
3. DTI – Region 10
4. DTI – Region 11
5. DTI – Region 12

In the meantime, the rest of the stakeholders will still be subjected to the manual processing but will eventually migrate to the Tradenet System in due time. Hence, while the Accreditation of Coffee Exporters is in electronic form, this does not preclude the acceptance of a manually-processed certificate.

We wish to extend our appreciation to DOF for the support and assistance rendered in the preparation of DTI-EMB's onboarding of the Accreditation of Coffee Exporters to the Tradenet System. Our Team will continue to work relentlessly with your Office in advancing the ease of doing business for our stakeholders.

Thank you.

Very truly yours,
