The DTI-DAO states that a provisional safeguard measures in the form of a cash bond amounting to \$\text{P2}\$,552/MT for clear float glass and \$\text{P2}\$,835/MT for tinted float glass including reflective glass shall be imposed for a period of 200 days from the date of issuance by the BOC of the relevant Customs Memorandum Order. The said DTI-DAO was implemented through BOC-CMC No. 244-2019 issued on 22 October 2019. Given that the DTI-DAO is clear on the duration of imposition of the provisional measure, the 200-day period ended on 9 May 2020. In this connection, we are requesting the Bureau of Customs to implement the BOC-CMC No. 244-2019 in accordance to the DTI-DAO 19-12, specifically on the duration of the imposition of provisional measures.

Thank you for your usual cooperation.
