Dear Mr. Vargas,

With appreciation to the close working relationship between the Asian Development Bank (ADB) and the Port of Manila (POM), we would like to request your assistance in the turnover of the vehicle of Mr. Nam Kee-Yung to POM. Mr. Nam's vehicle was imported in 2010 and entered through the Manila International Container Port. We have attached relevant documents for your consideration including the approval from the Department of Foreign Affairs.

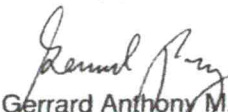

As part of our centralized transactions with the Bureau of Customs, POM is the one-stop shop for ADB and its personnel in the assessment and receipt of payments of taxes and duties in connection with the sale and voluntary tax payment of imported tax-exempt vehicles. We will highly appreciate if the disposal of vehicles through turn-over be included in our regular processes with POM. With your approval, we will coordinate with the Auction and Cargo Disposal Division for the efficient processing of similar requests.

We take this opportunity to renew to the Bureau of Customs and Port of Manila the assurances of its highest considerations.

Thank you and best regards.

Sincerely yours,
