    payable at the time of retirement plus an old-age pension benefit equal to the
    basic monthly pension payable for life, starting upon the expiration of the fiveyears covered by the lump sum; or
  - A cash payment equivalent to 18 months of his/her basic monthly pension plus monthly pension for life payable immediately

  - RA No. 1616 for those who have rendered at least twenty (20) years of service.
     This is a lump sum payment of benefits based on basic monthly salary and years of service in the government without any pension and payable by the Bureau through release from DBM Pension and Gratuity Fund.

    of service and age at retirement are summed up, the total is at least "87". This
