Deputy Commissioner, AOCG

Sir:

Greetings of peace!

The National Commission on Muslim Filipinos is mandated under RA 9997 to preserve and develop the culture, tradition, institutions, and well-being of Muslim Filipinos. Among its functions are to undertake and coordinate development programs and projects for the advancement of Muslim Filipino communities, as well as to serve as the medium through which government assistance may be extended to Muslim Filipinos.

To achieve this, the Northern Mindanao Regional Office has to regularly travel and visit the Muslim communities in all the five provinces of the region, including those in far flung areas who have limited access to the office's services. However, it is always a challenge for us to implement this because our office does not have its own service vehicle. In addition, our office cannot procure such because of very limited budget.

It is for the above-mentioned reason that we are writing this letter to humbly request your good office for a donation of a multi-purpose utility vehicle/van which will be used for the implementation of our programs and activities in the region.

We anticipate for your favorable consideration of this request.

Thank you and more power!

Very truly yours,
