In a letter dated 30 January 2023, Intelligence Officer II (IO2) Norma Del Rosario-Nucup, Field Station Chief, CIIS Port of Clark, requested Atty. Edmund Jason Baranda, authorized representative/duly authorized Attorney-in-Fact of Prada S.A., Yves Saint Laurent, Luxury Goods International (L.G.I.) S.A., Balenciaga and Guccio Gucci S.P.A. (the "Company"), to personally examine samples of various items bearing the mark Prada, Yves Saint Laurent, Bottega Veneta, Balenciaga and Gucci and a certification on their authenticity.

On 21 March 2023, the Office of the CIIS-Port of Clark received letters dated 16 and 20 March 2023 from Atty. Baranda attaching notarized Certifications confirming the examined samples to be **counterfeit** and said exporter's name is not included as authorized channel of the Company.

On 14 April 2023, the Office of the District Collector received a Memorandum dated 13 April 2023 from IO2 Rosario-Nucup, Field Station Chief, CIIS Port of Clark, recommending the issuance of a Warrant of Seizure and Detention (WSD) against the subject shipment based on the notarized Certifications from Atty. Baranda.

Based on the discrepancy between the goods found during the physical examination and goods declared in the commercial invoice, Ms. Maricar Go, Officer-In-Charge (OIC) Export Unit, and Trade Control Examiner Maria Annalou Pojas, thru Ms. Lilibeth Mangsal, then Deputy Collector for Operations, submitted a Memorandum dated 22 March 2023 recommending the issuance of a WSD against the subject shipment for violation of Section 1113 (I) (3 & 4) of the CMTA.

On 24 April 2023, a WSD docketed as Seizure Identification (S.I.) No. CFZ 116-2023 was issued by then Officer-In-Charge of this Port, Collector John Simon, against the subject shipment.

On 16 May 2023, Atty. Ruther Martinez, Government Prosecutor, appeared at a hearing through video conference, however, no representative from claimant (exporter/shipper) appeared on the appointed date.

In a Disposition Form dated 04 October 2023 from SP/Capt. Arnel A. Baylosis, District Commander, this Port, it is stated that the WSD and Notice of Hearing were not served because the said exporter/shipper and address are fictitious/insufficient.

Thus, we resolve.

ISSUE:

Whether or not the subject shipment may be forfeited in favor of the government.

DISCUSSION:

In quasi-judicial proceedings, procedural rules governing service of notices/summons are not strictly construed. Substantial compliance thereof is sufficient. The constitutional requirement of due process with respect to service of summons only exacts that the service of summons be such as may reasonably be expected to give the notice desired.

In the case at hand, records show that serving of the WSD and Notice of Hearing was unsuccessful considering that the exporter/shipper and address are fictitious/insufficient. Hence, the same were posted at the FedEx, and BOC Bulletin Board and Official Website in compliance with Sections 6.5.2 and 10.13 of Customs Administrative Order (CAO) No. 10-2020, to wit:

6.5.2. x x x If the owner is unknown, with insufficient address, or a foreign entity or individual, service shall be effected by posting of the WSD by the ESS in the bulletin board of the concerned collection district office, and by electronic posting through the BOC website, or printed publication, for fifteen (15) days.

10.13. Notice of Hearing shall be served by personal service or, if not practicable by reason of distance and lack of personnel to effect personal service, by private courier service; or posting in the bulletin board of the Law Division or equivalent office of the concerned Collection District for unknown claimants, with insufficient address or foreign claimants. x x x

Moreover, Section 1121 of the CMTA and Section 9.4 of the same CAO provides that "If, within fifteen (15) days calendar days after service of warrant and due notice, no owner or agent can be found or appears before the District Collector, the seized goods shall be forfeited *ipso facto* in favor of the government to be disposed of in accordance with the CMTA."

In this case, since no claimant appeared despite due notice and service of warrant, the seized goods should be forfeited *ipso facto* in favor of the government and disposed of in accordance with the law.

Furthermore, the subject shipment contains infringing goods, as evidenced by the notarized Certifications issued by Atty. Baranda confirming the examined samples to be counterfeit and that the said exporter's name is not included as authorized channel of the Company. As such, the same are considered prohibited goods subject to seizure and forfeiture under Sections 118 (f) and 1113 (f) of the CMTA, to wit:

SEC. 118. *Prohibited Importation and Exportation.* — The importation and exportation of the following goods are prohibited:

xxx

(f) Infringing goods as defined under the Intellectual Property Code and related laws; and

SEC. 1113. *Property Subject to Seizure and Forfeiture.* — Property that shall be subject to seizure and forfeiture include:

xxx

(f) Goods, the importation or exportation of which are effected or attempted contrary to law, or any goods of prohibited importation or exportation, and all other goods which, in the opinion of the District Collector, have been used, are or were entered to be used as instruments in the importation or the exportation of the former.
