Subject: **GUIDANCE ON THE REGULATION FOR THE EXPORT OF SCRAP METALS**

Dear **Mr. Dela Rosa**:

This has reference to your letter (IIS Transaction No.: CO-2023-039907) dated 24 October 2023 requesting exemption on securing export clearance (EC) for the shipment of scrap metals such as Tin coated rails, Copper dummy shots, and Tin coated trimmings.

Based on the composition of the above-mentioned scrap metals, please be informed that they are not classified as hazardous waste pursuant to Table 2.1 of DENR Administrative Order (DAO) No. 2013-22: *Revised Procedures and Standards for the Management of Hazardous Wastes (Revising DAO 2004-36)*. Thus, this Office interposes no objection to the proposed export provided that it shall be limited to the subject scrap, hence, EC is not required from us. However, you are enjoined to determine if the same is regulated by the country of destination so that we can provide the necessary written notification for them.

We hope we have addressed your concern.

Very truly yours,

GILBERT C. GONZALES, CESO III
